

TEN CENT FURNITURE SALE

This Is 10 Cent Week at Newark's Biggest Furniture Store

HERE IS THE STORY of 10 cents a day. It's a mighty interesting story, too—read it all—we'll make it brief. We have been doing business in Newark for years—our success has been magnificent—due to our immense stock, courteous treatment, sterling values and reasonable prices—always. If you spend a cent for

FURNITURE, CARPETS, STOVES OR ANY HOUSE-FURNISHINGS

before looking at our stock you'll make a mistake—and the more you spend the bigger your mistake will be. Why? Because, we operate 22 stores and buy in tremendous quantities—that means very low prices to us—this immense saving in buying is taken from our retail prices—for your benefit. But low prices are not the only inducement. Quality is just as important as price—poorly made furniture is dear at any price. Furniture must be well made to find a place in this store—where high quality and low prices meet.

A WORD ABOUT CREDIT—There never was a time in the history of the country when a reputation for honesty and integrity counted for so much as at present. The man of such a reputation find himself with ample capital at his command when trading at PARISH'S.

For 10 Cents a Day We Will Sell and Deliver To Your Home Any Article In the Store

There are no strings tied to this proposition—all we ask is a very small payment down—the balance 10c a day. Get what you want on these remarkable terms. You won't miss the money.

ALTAMAH LIDGE HONORING DEAD SOLEMN SERVICES

WERE HELD IN GRANVILLE SUNDAY AFTERNOON WITH SOLEMN CEREMONIES.

Many Newark Knights Including the Uniformed Rank, Were in Attendance.

Granville, O., June 11—The annual memorial services of Altamaha lodge Knights of Pythias of this place, were held Sunday afternoon with solemn and imposing ceremonies, and were attended by a large number of visiting brothers as well as the families and friends of the local members.

The members of the lodge and visiting members, which included a number of the uniformed members of Licking Company U. R. K. P. of Newark, and members of both Newark and Roland lodges of Newark, met at the hall at 2 o'clock and marched to the Presbyterian church, headed by

the College Band, where the Knights took their places in the seats reserved for them.

After a beautiful selection by the choir and prayer, Rev. David Dempster, pastor of the Presbyterian church, delivered the eulogy. He spoke of the beautiful significance of the occasion, its meaning and the motives that promoted such a memorial service. Briefly he paid a beautiful tribute to the departed brothers who did not respond to the secretary's roll call, and who since the few short years of the lodge's existence in Granville have gone to the silent city of the dead. The three cardinal principles of the order, Friendship, Love and Charity, were spoken of and their meaning clearly defined. Rev. Mr. Dempster sustained his reputation as an eloquent speaker, as his address throughout was masterly and interesting, and held the close attention of the auditors.

At the conclusion of the services at the church the Knights and visitors repaired to the beautiful Maple Grove cemetery in the following order:

College Band.
U. R. K. P. of Newark.
Altamaha Lodge, No. 296
Newark Knights and other visitors.
In the parade were over 150

Knights and led by the band and Uniformed Rank made a most excellent showing.

At the cemetery the beautiful memorial services of the Knights of Pythias were conducted by Harry Williams, Prelate, and after the graves of the deceased brothers had been covered with beautiful flowers, and the invocation had been pronounced by the Rev. Mr. Dempster, the assemblage was dismissed.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. SECRET MARRIAGE OF NEWARK WOMAN

Columbus, June 11—It has just leaked out that Cupid alighted twice in the same office. As the result, two secret marriages followed.

TIRED AND SICK YET MUST WORK

"Man may work from sun to sun but woman's work is never done." In order to keep the home neat and pretty, the children well dressed and tidy, women overdo and often suffer in silence, drifting along from bad to worse, knowing well that they ought to have help to overcome the pains and aches which daily make life a burden.

It is to these women that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, comes as a blessing. When the spirits are depressed, the head and back aches, there are dragging-down pains, nervousness, sleeplessness, and reluctance to go anywhere, these are only symptoms which unless heeded, are soon followed by the worst forms of female complaints.

Lydia E. Pinkham's Vegetable Compound

keeps the feminine organism in a strong and healthy condition. It cures Inflammation, Ulceration, displacements, and organic troubles. In preparing for child-birth and to carry women safely through the Change of Life it is most efficient.

Mrs. Augustus Lyon, of East Earl, Pa., writes—Dear Mrs. Pinkham:—"For a long time I suffered from female troubles and had all kinds of aches and pains in the lower part of back and sides. I could not sleep and had no appetite. Since taking Lydia E. Pinkham's Vegetable Compound and following the advice which you gave me I feel like a new woman and I cannot praise your medicine too highly."

Mrs. Pinkham's Invitation to Women

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, at Lynn, Mass. Out of her vast volume of experience she probably has the very knowledge that will help your case. Her advice is free and always helpful.

Harold was a bright and interesting boy, and will be sadly missed by his numerous little friends. The parents have the sympathy of all their friends in their affliction.

MRS. LEONARD STUMP.

Mrs. Leonard Stump died at Hanover at noon Tuesday of the infirmities incident to old age. Five daughters survive, Mrs. Randall of Painesburg, Mrs. I. M. Fleming of Newark, Mrs. J. W. Edwards of Pataskala, Mrs. Dr. Hamilton of Kankakee, Ill., Mrs. R. P. McCann of Granville.

The arrangements for the funeral will be announced later.

EARL A. LAGE.

MARY J. EVANS.

(Centerburg Gazette.) After two weeks of intense suffering Mrs. Mary J. Evans passed away Saturday morning, June 1, at six o'clock. The funeral services were held at the M. E. church Monday at 2 o'clock conducted by the pastor, Rev. D. J. Smith, assisted by Rev. L. C. Sparks of Newark. The deceased was a highly respected Christian woman and has been a resident of this community for a number of years. The following obituary was read.

Mary J. Conrad, daughter of Nathan and Catherine Conrad was born near Utica, O., Jan. 18, 1841, and died in Croton, O., June 1, 1907, aged 66 years, 4 months and 14 days. She was deeply convicted of sin and happily converted to God in the M. E. church at Homer and was received into full connection in her twelfth year in 1853 at Utica, O. She began to teach school when but 17 years old and pursued that vocation for ten years. She was united in marriage with Nathaniel W. Evans October 15, 1868. To this union were born three children, Adella, now Mrs. Adella Pierson of Condit, Wilbur L. and Leona of Croton. Her husband departed this life February 12, 1900. Mrs. Evans was the oldest of a family of 11 children, five of whom survive: Hamlin Conrad of Utica, O.; Frank Conrad of Colorado, Mrs. Hanna Burner of Homer, O.; Mrs. Josephine Hill of Boulder, Colo., and Mrs. Sarah Ozias of Warrenburg, Mo. In her daily life she was kind and self sacrificing, and responded heartily to God's claims upon her. She shrank from no religious duty, God's cause seemed uppermost in her mind and of late was the almost constant theme of her conversation. She loved life and if it had been God's will she would gladly have stayed with us, but death had no dread for her. She could say with Frances Willard: "It will be beautiful to be with Jesus." Her end was peace, her last words spoken but a little while before her departure were: "I am ready." Resigned, trusting, happy she has gone from us. "God calls our loved ones, but we lose not wholly what he hath given; they live on earth in thought and deed, as truly as in His heaven." One of her favorite sayings was: We know not why, we know not how; And yet God's plans for us are best. Whatever comes to him we'll bow. We'll trust and in Him rest.

Relatives attending the funeral of Mrs. Mary J. Evans from a distance were: Mr. Hamlin Montgomery of Hanover, O.; Henry Montgomery of Granville, Will Montgomery of Newark, Henry Martin of Alexandria, Mrs. Griff Rosebraugh and sister Miss Mayme Montgomery of Newark, Hamlin Conrad and family of Utica, Mrs. Hannah Burner of Homer, Eddie Montgomery of Alexandria, Mrs. Emma Sawickard and Mrs. A. A. Rich of Johnstown, Mrs. George Roberts and daughter of Galena, Mr. S. Hays, Mr. and Mrs. Cada of Granville,

SPECIAL SESSION OF CITY COUNCIL

Reports Received of Engineers on
Water Works Valuation—Wide
Differences in Estimates.

An adjourned meeting of the City Council was held Monday evening. Messrs. McNeely, Moser, Conrad, King and Beadle being present.

The meeting was called to order by president pro tem Beadle.

Lengthy reports were made by the engineers of the city and of the water works company respectively on the valuation of the present water works plant. The reports were read by Clerk Munch. Their length is indicated by the time it required to read them, which was over an hour.

There is an unexpected wide difference in the respective valuation placed on the water works property by the two engineers, the difference, however, is not so great on the replacement value of the plant as it is in regard to the depreciation of the same.

The city's engineer figures the replacement value of the plant at \$251,688.10.

The water works company's engineer figures this valuation at \$237,379.74.

On the replacement value, therefore, there is only a difference of \$25,691.64 between the figures of the respective engineers.

The wide and surprising difference between the engineers is as to the per cent of depreciation of the property—the city's engineer claiming the depreciation should be 42 per cent and the water company's engineer making the depreciation not over 10 per cent on the property exclusive of the land and reservoir, which have not depreciated at all.

Monday's vote was comparatively light and did not make a single change in the relative standing of the contestants. Miss Emery however, increased her vote and is today only 152 points behind Miss Goff. The first district has developed one of the most interesting situations of any in the contest. In No. 5 Miss Dair cast enough ballots to bring her within 3084 points of first position which has long been held by Miss Bentz. The total vote today is 614,118.

Who will win the special prizes this week? Remember that Clouse & Schaefer have promised a pretty hat to the candidate who receives the largest vote this week, while Senator Miller will give the best hammock in the Newark Hardware company's store to the one who makes the largest percentage gain. Miss Miller won both special prizes last week but this will hardly happen this week. Who will win?

Baughner & McGruder have received notice from the home office approving the proposition to issue each contestant a \$1,000 accident insurance policy in the solid old Travelers' company.

The Advocate hopes that nobody will "realize" on these policies but it's always best to be on the safe side, hence this paper arranged to provide the insurance for the party.

The contestants are now working for the special cash prizes offered by the Advocate for new subscriptions. There will be three prizes, \$20, \$10 and \$5. This special contest just starting ends June 2—only 16 more days.

Some are thinking of offering special prizes for the contestants next week. Those who desire to thus show their interest in the contest and their friendliness for the young ladies are invited to communicate with the contest manager.

IN SEVENTH DISTRICT.

A short time ago Miss Mildred Hays, R. F. D. No. 4, Utica, Ohio, was far from the top of the list in her district, but one day Miss Hays' friends rallied to her support and cast enough votes to place her in the lead in District No. 7. That vote won for Miss Hays a beautiful silk dress given by the H. H. Griggs company.

500 Grains of Impurity.

Healthy kidneys remove 500 grains of impure matter from the blood every day.

If they don't, what happens? Kidney and bladder trouble of all kinds and many other bodily derangements arising from impure blood. Heart trouble, liver trouble, stomach trouble, eruptions of the skin, in fact, a general derangement of all the vital organs of the body.

The first sign of inactive kidneys may be any of the following: Lame back, pains in the side, cloudy, highly colored or offensive smelling urine, dizziness, excessive thirst, sallow or muddy complexion and a general run down feeling.

What you should do if you have any of the above symptoms. As soon as possible commence taking Lantz's Red Kidney Pillets. They contain medicinal properties that will both heal and soothe the kidneys and will enable them to properly perform their function of removing all the impurities from the blood and will prevent the more serious and dangerous forms of kidney and bladder trouble, such as Diabetes and Bright's disease, the latter of which in its chronic form is always fatal.

Physicians everywhere prescribe and recommend Lantz's Red Kidney Pillets as the surest and best cure for all kidney and bladder trouble.

So certain are we that they will cure that we place our guarantee in every box. If you are not benefited your money will be cheerfully refunded.

The Pillets contain no harmful ingredients and may be taken by the most delicate person.

Cleanse Your Kidneys with Lantz's Red Kidney Pillets.

If you have never used these Pillets, we will gladly give you a two days' trial treatment at free.

Y. M. C. A. NOTES

The Bible teachers' normal class meets tonight for the first session of the class at 7:30. The night and hour for succeeding sessions will be decided tonight. It is hoped that all those expecting to attend the class will be present tonight, that a night may be selected most convenient to all. Much interest is being manifested in this class owing to its value to the Sunday school movement of the city.

The class session will be divided into two sections. Some one will conduct a model class after which he will be criticized by the class, thus showing each one his strong and weak points. The rest of the session will be given to a study of the principles and methods of teaching. It is hoped that all the male teachers and men looking forward to teaching will take advantage of this opportunity to compare notes with other teachers and get the advantage of this excellent course.

The tennis courts have been put in good repair and are ready for use. All interested in this great summer game are expected to meet at the Y. M. C. A. next Monday night for the purpose of organizing a tennis club.

ATTORNEY KELLER SUDDENLY STRICKEN

Shortly after 10 o'clock Tuesday morning Attorney D. M. Keller was suddenly taken sick while standing at the office door of J. F. Moore & Son, immediately across the hall from his own office and fell to the floor in a faint. He was standing at the door when he suddenly said, "Oh, I am so sick," and fell to the floor. Miss Lillian Larson, the stenographer for Moore & Son, ran down to the Franklin Bank and gave the alarm. Several of the employees of the bank hurried to the assistance of Mr. Keller, and the services of Dr. Barnes were quickly secured, who succeeded in reviving the man. It was nearly an hour, however, before he was able to go to his room. At this writing he is considerably better and it is thought that he will be able to be at his office Wednesday.

TREAT THE SKIN THROUGH THE SKIN

"Blood Disease" Idea is Swept Away
By the Latest Discoveries.

Recent discoveries show that "skin" diseases and "blood" diseases are not the same. The doctor treating smallpox, scarlet fever and measles found that the skin cleared after the disease departed. For in these cases the skin bore only the SYMPTOMS of the disease.

Real SKIN diseases, such as eczema, are diseases of the skin itself. Recent development of the germ theory gave the PROOF that real skin diseases are due to the destructive effects of a germ which lives on the weaker parts of the skin. Skin specialists therefore began to search for something that would destroy this germ, and Dr. Decatur D. Dennis found that oil of wintergreen, properly mixed with soothing ingredients, made a wash that was SURE in its results. This wash was called D. D. D. Prescription. So widely known became this prescription that a company undertook to compound it, and it is now on the market as "D. D. D. Prescription."

D. D. D. is so effective that many physicians prescribe it who avoid all proprietary medicines. Many give it to their patients even though it means loss of fees to themselves, for the cure is quick and requires only care by the patient alone.

If you wash with the mild D. D. D. soap and then apply D. D. D. Prescription, you will feel AT ONCE that wonderful relief from itch. The druggist who keeps D. D. D. Prescription can give you D. D. D. Soap.

"For eighteen months our little girl suffered with eczema, and the D. D. D. Prescription cured her sound and well WITHOUT LEAVING A SCAR," writes Claude Fessmer of Coleridge, N. C. The disease covered her face, head, arms, breast and from the knees to the end of her toes. I tried many home remedies and two physicians, and they all failed and she just got worse.

"D. D. D. is such a great remedy for cuts and many other things. Every person ought to have a bottle."

If you are suffering from eczema, psoriasis, salt rheum, ringworm, dandruff or any rash, try a bottle of D. D. D. Prescription and you will find INSTANT RELIEF with the FIRST DROPS.

THE VALUE OF PERSONAL KNOWLEDGE

Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.

Raps the Peace Conference.

Truro, England, June 11.—Bishop Stubbs, preaching here, said it had fallen to his lot to deliver a sermon at The Hague on the occasion of the meeting of the first peace conference, but he declined the invitation to preach in the chapel of the British embassy at The Hague on June 16 for conscientious reasons. "If they were to dismiss the former message of the emperor of Russia as either a blasphemous insincerity or the foolish vapors of an inexperienced youth," said the bishop, "how should they justify themselves as followers of the Prince of Peace? Mountains of difficulty block the way to international concord and the failure of every effort to this end is due to want of Christian faith."

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles—A Newark Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back, they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Newark people testify to permanent cures.

Charles W. Cooper, employed at George Hermann's clothing store and living at 223 Hoover street, Newark, Ohio, says:

"Backache distressed me continually for a long time. There was a dull aching in the loins and my back was very weak. Besides this I had trouble with the kidney secretions which were irregular and disturbed my sleep at night. I was usually just as tired in the morning as when I went to bed. Nothing I could get seemed to help until I began using Doan's Kidney Pills, procured at Crayton's drug store. I had heard a great deal about the wonderful action of this remedy on the kidneys and bladder, but I was greatly surprised by the quick effect in my case. I improved rapidly under the treatment until the pain in the back ceased and the action of the kidneys became natural. A few boxes made a complete cure."

ANNUAL

COMMENCEMENT EXERCISES OF DOANE ACADEMY OF DENISON UNIVERSITY.

At Granville Tuesday Morning—The Names of the Graduates Are Appended.

Granville, O., June 11.—The annual commencement exercises of Doane Academy were held in the Baptist church Tuesday morning and proved a dramatic as well as a literary success. The church was filled with the friends of the graduates at an early hour to witness the interesting exercises. Dr. H. R. Hundley and his efficient corps of instructors deserve great commendation for the vigorous interest they have infused into the life of the school.

The commencement this morning was the yearly occurrence of a drama in which the scenes remain unchanged, but the actors are always new; and the players, after all, the life of the play. Like all other classes graduated from Doane Academy, the class of '07 comes forth after three years of hard and diligent study, with a record of which it may well be proud and foundations for future lives, whose possibilities are immeasurable, are laid.

All the essays and other productions of the graduates were of a high literary character, while the music furnished was exceedingly fine.

The address by Rev. M. L. Wood, D. D., of Huntington, W. Va., was one of the best, most practical and eminently proper ever given on a like occasion. It was such a talk as the friends of Granville's most excellent preparatory school need and appreciate. He pointed out that hard work was as essential to success today as it ever had been in the past. His talk to the class was brimful of good wholesome advice and encouragement, and was greatly appreciated.

MONDAY'S RESULTS.

Lancaster 3, Marion 0.

Pitcher Harry Lloyd late of Wooster, Manager McVey's new box artist was given a great ovation on his debut into the O. P. league. He was taken on a merry chase for 12 innings of the fastest ball he ever saw. Not only that, but he was shown how hot headed fans handle umpires in this league when they make decision not liked by the fans.

Mr. Lloyd also learned just what it costs when a pitcher loses his heat in a close game, even if he soars to an instant. It was Lloyd himself that lost his game in the 12th inning when with a man on third, he made a balk and allowed the runner to score the one tally which Newark needed.

It was tough luck for Mr. Lloyd for he pitched a pretty game other than that one time. He was a trifle wild to be true, but he kept the situation so well in hand that all his passes were not costly.

The two teams went five innings. In as pretty baseball as one would wish to see. Then in the sixth one of two phony plays on the part of Mansfield gave the Molders their first run. Abbott, Newark's new outfielder who was just signed yesterday, worked Lloyd for a pass, Snyder bunted the ball, Riley fielded it, but in his throw to first the ball struck Snyder in the back. The ball rolled into right field, where "nobody was," and Abbott strolled home. Some snappy fielding by Delehanty saved Lloyd from further damage and the side was retired.

Things went well until the eighth when Stoupe and his team mates took short tour to the clouds. The trip was long enough for Mansfield to score two men over the rubber.

Delehanty led off by working Joe for a pass. Reynolds bunted and Smith made a great stop, but a bad peg to second to catch Del and the youngster kept going to third. Riley hit safely, dumping a hot one to Murray. Murray stopped it but not in time to get his man. Before Sandy could get the ball away from him, he fumbled it, allowing Del and Zeke to score. With none out, Mr. Lloyd put down a beautiful sacrifice and Biery singled to center, but Schweitzer made a great catch and a fine peg to the plate and Riley was caught by Winters.

Spease's foul to Winters ended the frame with Mansfield one run to the good. In the ninth, Drake singled and Tibbitts dumped a nice bunt to Smith, who caught Dick at first. No one covered third during this time and Drake went to Smith's corner. Delehanty's hit scored Delos and the Tigers were two runs to the good.

Then came that awful ninth for Newark. Schweitzer opened with a free ticket to first. Murray singled and Schweitzer went to third. Gygli, who is the original "pinch hit" man on the Newark team, smashed out a big and Schweitzer came home. Smith dumped one down to Mr. Lloyd intending to sacrifice, but the Wooster man preferred to throw Murray out at third, which he did successfully, though the decision was close. Winters put one at Mr. Lloyd's feet, and sent Gygli to third and Smith to second. Catcher Bunny Pearce was sent into hit for Stoupe who was swinging like a rusty gate. Pearce ripped off one through second and Del made a great one handed stop, but could not throw in time to catch Bunny at first. Gygli scored and Smith started home, but changed his mind. Biery threw quickly to King and Smith was caught. The decision was doubtful and instead of giving the base runner the doubt, Bannion decided against him. Bob Berryhill expostulated with the umps and several players commenced to argue with Mr. Bannion.

It was at this stage that Director George Bader stepped upon the

grounds and when Bannion told him to "get out," adding that the director had no business on the ground, Mr. Bader struck the umpire in the face.

The game proceeded though it was some time before the excitement and tense feeling cooled down. Mr. Bader after the game went to Mr. Bannion and apologized. He had been angered by what he considered unjust decisions at third and when ordered off the ground his temper got the better of his judgment. No one regretted the incident more than Mr. Bader himself.

The tenth and eleventh innings passed off quietly and no sensations developed except Abbott's great catch of Spease's Texas leaguer which dropped back of second. He made a pretty run and bagged it.

In the twelfth Snyder was on easy out and Wratten walked. Schweitzer singled and Wratten stole third. The squeeze play was called for and Murray bunted, but Lloyd was equal to the emergency and returned the throw to Riley who caught Wratten. Gygli faced Mr. Lloyd with Schweitzer on third, and Murray on first. The college pitcher prepared to throw and Murray started to second. Mr. Lloyd became confused and turned and stepped from the box, making a balk ball and Gygli went to first, Murray to second and Al scored.

It ended one of the prettiest contests seen here this season and the extra inning affair.

Mr. Bader in speaking of the episode on the diamond stated that he stepped out to expostulate with the umpire for the bad decision, and Bannion ordered him off the ground. He said he struck him before he thought and regretted it immediately afterwards. He apologized to Bannion last night.

"Exhausting coughing spells occurred every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine that saved his life and completely cured him." Guaranteed for coughs and colds, sore throat and lung troubles, by F. D. Hall, druggist. 50c. and \$1.00. Trial bottle free.

DYSPEPSIA

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of constipation and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have taken numerous other so-called remedies but without avail and I find that Cascarets relieve more in a day than all the others I have taken would in a year." James McGuire, 109 Mercer St., Jersey City, N. J.

It's a Fact

A Well-Proven Fact That
RHEUMATOL
IS THE BEST RHEUMATIC CURE ON THE MARKET.

It is a preparation made from the prescription of an old Michigan physician, a prescription brought to our store more than fifteen years ago, and since the death of that physician, we have taken the liberty of giving the public the benefit of his knowledge of the cure of RHEUMATISM.

MOREOVER, we know so positively, just what the remedy will do, that we offer and will return to you your money in the event that you are not cured, for IT WILL CURE ANY CASE OF RHEUMATISM.

CHAMPAGNE VELVET

IS

THE BEST BOTTLED BEER

Champagne Velvet is the best bottled beer because it is the embodiment of all that is good in beer. It is a harbinger of good cheer and a promoter of health. It is the best antidote that is known for the "blues".

Suppose you verify these statements for yourself—as thousands of others have verified them in the past—as thousands are verifying them every week—by insisting on Champagne Velvet the next time you order a bottle of beer. And, while you are about it, do not forget to order a case for your home. It is "up to you" to get the best.

The Griggs Store

MERCHANDISE OPPORTUNITIES

WHICH MEAN A SAVING OF MONEY

YOU can buy ordinary items at ordinary prices every day in the week—but to buy the things of extraordinary value at prices far below the ordinary, is an opportunity which this store frequently offers to its customers. The Griggs Store system of price-cutting and special-selling is best advertised by our satisfied customers. Just recently one Newark lady was heard to make this remark: "When the Griggs Store announces a special reduction, or special sale, you can depend upon it being just as advertised." No imaginary values or previous "marking-up" method, but just plain, straight reductions and plain facts upon which you can rely with all confidence. For the month of June we have planned a number of these opportunities, and to bring you to this store tomorrow, we have gathered from several departments, seasonable items which are well worth your while to come and see.

Principal News of the Buckeye State in Short Paragraphs for Busy Readers.

Cleveland, O., June 11.—Franz Just and Maria Dorsch, who were arrested here several days ago at the request of the German government, charged with being responsible for the death of Just's wife in that country, waived extradition and agreed to return to Germany in custody of officers, to stand trial on the charge of murder. The couple have been in jail since their arrest, and J. A. Budd. For the past eight years Mr. Lewis has been secretary in China, and he and his family reside at Shanghai. Mr. Lewis desires to educate his children in the United States and was anxious to return.

Alliance, O., June 11.—Frank Bouyon, 24, a farmer, had his arms and one leg cut off by a Pennsylvania train here, and he died later at the City hospital.

Trial of Holmes.

Washington, June 11.—Secretary Wilson of the department of agriculture was the principal witness before the supreme court of the District of Columbia in the trial of the former assistant statistician, Holmes, on the charge of prematurely divulging cotton crop reports. Holmes' attorney made an effort to show that the secretary was prejudiced in his statements and tried unsuccessfully to make him admit that he (the secretary) had been guilty of giving out crop information in advance of its legitimate promulgation and of suppressing information indicating fraud. He also questioned the secretary about charges against himself.

Testimony detrimental to the defense was offered in South Dakota by Mrs. Udell of Sioux Falls, this morning, who declared that as a neighbor of the Kaufmann family she saw many instances of ill treatment previous to the death of Agnes Polreis, a domestic in the Kaufmann family, with whose murder Mrs. Emma Kaufmann, the millionaire brewer's wife, is charged. Mr. Udell said the girl worked hard up to a short time before her death, when she was so weak she could hardly walk up and down the steps.

Religious Procession Dispersed. Touring, France, June 11.—The first organized attempt of the clergy to hold a street procession since they were debarred from so doing by the church and state separation law took place here, and was suppressed by the police. The pastors of the Church of St. Christophe, at the head of 3,000 members of the congregation, with banners flying, formed up in the church, but the procession had hardly got out of the doors when, after considerable difficulty and the arrest of a number of the marchants, the procession was dispersed by gendarmes.
